CIV. P. 26(f). The content of the proposed scheduling order shall include proposals for all deadlines set out in the form for scheduling order attached hereto and contained in Appendix "B" to the Local Rules. The parties shall endeavor to agree concerning the contents of the proposed order, but in the event they are unable to do so, each party's position and the reasons for the disagreement shall be included in the proposed schedule submitted

to the court. period being 90 days before the discovery deadline). Parties resisting claims for relief shall file their designation of potential witnesses, testifying experts, and proposed exhibits, and shall **SERVE ON ALL PARTIES, BUT NOT FILE the materials required by FED. R. CIV. P. 26(a)(2)(B)** by (the standard period being 45 days before the close of discovery). All designations of rebuttal experts shall be filed within 15 days of receipt of the report of the opposing expert.

5. An objection to the reliability of an expert's proposed testimony under Federal Rule of Evidence 702 shall be made by motion, specifically stating the basis for the objection and identifying the objectionable testimony, within (the standard period being 30 days) days of receipt of the written report of the expert's proposed testimony, or within (the standard period being 30 days) days of the expert's deposition, if a deposition is taken, whichever is later.

6. The parties shall complete discovery (the standard period being six months after the first defendant's appearance). Counsel may by agreement continue discovery beyond the deadline, but there will be no intervention by the Court except in extraordinary circumstances, and no trial setting will be vacated because of information obtained in post-deadline discovery.
